

EXTRA-CURRICULAR ACTIVITIES

Extracurricular activities offer students an opportunity to develop skills in their own particular areas of interest. Students and parents must be willing to expend extra time and effort if these programs are to be successful.

ATHLETICS

All athletes are expected to represent our school in a Christ-like manner. A fee is charged for each sport in which a student chooses to participate. This fee is used to cover some of the expenses of the athletic program. If there is sufficient interest, students in grades 6-12 may participate in the following sports (in certain circumstances, 5th graders may be allowed to participate):

- Baseball (boys)
- Basketball (boys and girls)
- Bowling (boys and girls)
- Cheerleading-Basketball, Football and Competitive (boys & girls)
- Cross Country (boys and girls)
- ESports
- Football (boys)
- Golf (boys and girls)
- Soccer (boys and girls)
- Softball (girls)
- Swimming (boys and girls)
- Tennis (boys and girls)
- Track (boys and girls)
- Volleyball (girls)
- Other sports, dependent upon student interest and conference availability

Rules, regulations, and procedures are covered in the *Student Athlete Handbook*. All students and their parents who are interested in the athletic program should be familiar with the *Student Athlete Handbook* at the beginning of the school year.

Practice sessions for the various teams will be set by the coaches and will be final. Students are expected to be at all practices, unless excused by the coach. All athletes must have an annual physical examination before practices begin in order to participate.

ELIGIBILITY

Non-athletic eligibility applies to any activity where students represent the school publicly. A student's eligibility will be determined at the end of the nine-week period. Eligibility may be reinstated at the following interim. Factors that contribute to non-athletic eligibility would be grades and discipline consequences, such as suspension or in-school suspension. Further stipulations of non-athletic eligibility will be program specific. For a student to participate in any school-related activity on any particular day, they must meet daily attendance requirements.

Due to the regulations of SCA's accrediting association (SCISA), homeschool students are not eligible to participate in athletics.

See Student Athlete Handbook for athletic eligibility requirements.

FUNDING FOR ACTIVITIES

Extra-curricular clubs and activities sponsored by SCA must have all fundraising projects for their activity approved by the Headmaster. This will involve a written request outlining the nature of the project, including what the project involves, the purpose any generated funds will have, how the money will be secured, spent, and accounted for, beginning and ending dates, and the names of the faculty sponsor(s) and student project managers.

Any fund raising project being considered by a SCA club or activity must not require long range commitments by clients. This ensures that events do not overlap and become a monetary burden.

Teachers must complete the Approval Request for Fundraising, Product Sales or Service Project form before beginning any service or donation project. Forms are available on the faculty webpage and must be submitted as directed to principal or athletic director.

SPECIAL INTEREST CLUBS/ACTIVITIES

Opportunities for student involvement could include, but are not limited to:

Senior Beta Club *

Fellowship of Christian Athletes

Junior Beta Club*

Yearbook Staff

Theatre

Media

Robotics

Other clubs/activities will be formed as students show interest in various areas.

*A faculty sponsor will provide requirements

STUDENT GOVERNMENT

High school student government officers are elected by the high school student body at the end of each school year. Students running for election must be re-enrolled for the following school year. High school and middle school homerooms will also elect a homeroom representative at the beginning of the year. The officers and homeroom representatives will represent SCA as the student leadership during special events and activities at SCA. They will represent their classes before Administration with questions and suggestions to improve SCA. They will also plan class social events.
